Mr. Ernest R. Wernstrom,

New York, N. Y.

Dear Sir:-

Your attention is respectfully called to the enclosed bill for two years dues.

You were elected an Associate of the American Numismatic Society, on October 8th, 1920. You were notified of your election on October 11th, 1920, and a bill for the dues for that year was sent you at that time. Since then, we have sent you bills from time to time without receiving any response from you. If for any reason, you have lost interest in the American Numismatic Society, or the subject in general, we would greatly appreciate a word from you.

Trusting for an early reply to this letter,

I remain,

Yours very truly,

R/W/

Dear Mr. Wood:

A elderly lady phoned me sometime ago concerning gold coins and I have seen them and given her the best of information, but there as a coin I was stuck on.

I am enclosing a rubbing of the same. It looks like a gold coin but I am suspicious as it is very thick. It is some kind of shekel design. Will you be so kind as to give me some information regarding this coin or what it may be, including the value.

I expect to be in New York after the A.N.A. Convention in Washington, D.C. for a few days, and wonder if I may have the opportunity of seeing you at the Museum?

Thanking you in advance for your courtesy, I am

Respectfully yours,

Dear Mr. Wernstrom:

The piece you send a rubbing of is nothing but a fancy piece made in Germany from about 150 years ago to the present time in imitation of a Jewish shekel.

It is a very far-feached imitation and as near as I can find out, was used in some secret society rites. Most of them come in silver or base metal silver plated. Possibly on some special occasion they might have made it in gol d or gold plated it. At any rate the piece has no value.

I plan to be in New York just before and after the Convention. Whether I get there, however, is problematical. I will be most glad to see you when you are this way.

Very truly yours,
